The full training course fee is payable if a student cancels less than 7 days after the Closing Date for Enrolment of the training course.

Payment Terms

Payment of the training course fee (or, if agreed by the AoA, the official purchase order) must be received by the AoA prior to the training course. The accredited certificate will only be issued after attendance at the training course and payment of the training course fee has been received. For this purpose, each student must sign the Attendance Register and complete a Training Course Appraisal Form. The AoA reserves the right to refuse admittance to any training course of any student whose training course fee has not been paid.

Postponement of Training Courses

Part of the benefit of the AoA training courses comes from the interaction between students. Should the AoA believe that the number of students for any training course is insufficient for this purpose, the AoA reserves the right to:

- Postpone the training course to a later stage; and
- Refund in full any payments received from students should the students not wish to attend the future training course.

Course Material

Course material will be made available on the e-learning portal on the day after the registration closing date.

Non-variation / Relaxation

Any variation of these terms and conditions shall be of no force or effect unless expressly recorded in writing, signed by a duly authorised representative of the AoA. The failure of the AoA to insist upon strict compliance with any of these Terms and Conditions shall not constitute a waiver of, or otherwise limit, any of the AoA's rights or remedies.
