

# ASK EXPERIENCED PRACTITIONERS!

Association of Arbitrators  
(Southern Africa) NPC

## WORKSHOP

### NEC3 AND NEC3/4 COMPARISON

Please join us for interesting workshop, presented by [Mr Francois Spies](#), as part of the Association's ongoing mission to provide regular upskilling opportunities for everyone interested in Alternative Dispute Resolution. Our workshops are always a great opportunity to network. Snacks and drinks will be served.

#### ABOUT THIS WORKSHOP:

This workshop will provide built environment professionals, arbitrators, adjudicators, party representatives and dispute resolution consultants with a high-level overview of the workings and structure of the NEC3 form of construction contract, as well as some indication of the amendments introduced with the publication of the NEC4 form.

#### ABOUT OUR PRESENTER:

#### [Mr Francois Spies](#), Pr CPM FAarb:

Francois is an Electrical Engineer and Professional Construction Project Manager who has over 20 years' experience related to heavy industry construction projects within the mining, minerals processing, renewable energy and general infrastructure sectors. He is a commercial/claims consultant and dispute resolution practitioner servicing the construction industry, who regularly provides training on construction contracting and claim related topics. He is a Fellow of the Chartered Institute of Arbitrators (the "CI Arb") in the UK. Furthermore, Francois is currently serving as an Executive at the Master Builders Association North, CI Arb, and is the Deputy Chairman of the Construction Adjudication Association of South Africa (CAASA). He is an accredited mediator, adjudicator and arbitrator who's experience in both the construction and dispute resolution fields finds him well placed to bridge the link between the two industries. Francois is a Fellow and a current Director of the Association of Arbitrators (Southern Africa) NPC.
