WEBINAR WORKSHOP

The FIDIC Contract and the Civil Law; Impact of Covid-19 on Contractual Relationships – A Perspective from Mauritius

Please join us for this interesting webinar, presented by [Mr Anand Juddoo](#) as part of the Association's ongoing mission to provide regular upskilling opportunities for everyone interested in Alternative Dispute Resolution.

ABOUT THE WORKSHOP:

This workshop will deal with the interpretational aspects of the FIDIC Contracts in civil law jurisdictions. FIDIC rainbow books are particular in that they are subject to the law of the country stated in the contract. However, attention is required as the interpretation of various sub-clauses may fall foul of the applicable law of the country. The competing clauses will be explored. The workshop will also deal with the impact of the Covid-19 on FIDIC Contracts.
