Association of Arbitrators
(Southern Africa) NPC

WORKSHOP

DATA MANAGEMENT IN LEGAL CLAIMS

Please join us for a crucially important workshop as part of the Association's ongoing mission to provide regular upskilling opportunities for everyone interested in Alternative Dispute Resolution. The event will be hosted by the Chair of our Western Cape Branch, **Mr Jonathan Mitchell** and **Mr Chris Binnington**, director of the Association. The presenter will be **Ms Lucia Quy**. It will be a good networking opportunity.

ABOUT THIS WORKSHOP:

This workshop will provide arbitrators, adjudicators, party representatives and dispute resolution consultants with an invaluable overview of the much-neglected area of data management in legal claims. The presenter will run through why data management should be treated as a business process, including driving higher efficiencies and cost reduction in legal claims. The workshop will be presented using the eDiscovery Reference Model (EDRM) as a framework and will incorporate practical examples from the presenter's extensive knowledge and experience in this area.

ABOUT OUR PRESENTER:

Ms Lucia Quy, LLB:

Lucia Quy is a qualified attorney with 13 years of practical legal experience in several areas of the legal sector within various roles at top tier law firms to a UK-headquartered law company. She has developed a unique set of multi-disciplinary skills, including: legal project management, legal tech knowledge and technical capability, process design and implementation, business development, solutions design and operating with/through a lean team. She has project managed various large eDiscovery projects for global corporates and law firms, with a focus on document management, review and data analysis, using streamlined processes, project management and legal technology to drive efficiencies and cost reduction. Lucia works at the forefront of collaboration and business innovation in her current role as a Senior Team Lead in the Legal Delivery team at **Cognia Law**, a next-generation Law Company operating in the New Law environment.
